## Art Fair

### Visit Our Art Fair

Children thrive on positive feedback. At our school we applaud academic and athletic achievements and we celebrate our young artists.

Please join us at our Art Fair and see your child's creativity. Your child has been working hard on a special project for this Art Fair.

**Wednesday, February 3, 2010**

**From 6:30 P.M. to 8:30 P.M.**

Art work from children in grades 3, 4, 5 and 6 will be framed and on display. You may purchase a frame package for \$8.00.

When a child's artwork is displayed at home, it makes the child more confident in his/her abilities. This helps to build self-esteem!

**Don't miss it!**
